Central Middle School School Annual Education Report (AER) Cover Letter

April 22, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-15 educational progress for Central Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Bethany Davis, Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/hdLu7k>, or you may review a copy in the main office at your child's school.

A key challenge for Central has been maintaining student achievement for our Bottom 30%.

The Bottom 30% met proficiency targets in Math, E.L.A, and Social Studies. Students are enrolled in our Scholastic Read 180 and System 44 Classes to help provide additional intervention and support. Students are also enrolled in Math Intervention programs such as ALEK's, Do The Math Now, and Math Masters. To close the gaps in Science we will continue to update curriculum and pacing to match our new standards.

State law requires that we also report the following additional information.

Pupil Assignment Process for the 2014-15 and 2015-16 School Years

Students in the Port Huron Area School District are assigned and enrolled as follows:

Students are assigned to schools based on outlined attendance areas. Kindergarten through 5th grades are assigned to one of our 10 elementary schools - Cleveland, Crull, Edison, Garfield, Indian Woods, Keewahdin, Kimball, Michigamme, Roosevelt and Woodrow Wilson. Students in grades 6, 7 and 8 are similarly divided among Central Middle School, Fort Gratiot Middle School and Holland Woods Middle school. Port Huron High School and Port Huron Northern High School serve students in grades 9 through 12.

We will *advocate* for our students and families in partnership with our community to assure their success inside and outside of school; continuously *innovate* our practices and programs to improve student achievement; and *educate* in ways that are relevant, relationship driven, and rigorous.

Port Huron Area School District has a Michigan Great Start School Readiness Program grant funded pre-school instruction for early childhood students in several elementary buildings. The district also supports an Early Childhood Special Education program for qualified 3-5 year olds. Students in pre-Kindergarten programs are assigned based on enrollment in each program based classroom.

The Port Huron Area School District has a policy and process in place for both in- district and county/contiguous Schools of Choice requests. Copies of the policy and procedures are available on the district website (<http://www.phasd.us/district/enrollment>), at each school, and at the administration building.

Specialized Schools and Alternative Education

- Harrison Center offers an alternative high school program, credit recovery, adult education, and an Education Continuity Program for expelled students.
- St. Clair TEC offers countywide career and technical training to high school students.
- Woodland Developmental Center serves students with severe learning disabilities to age 26.

Status of Our School Improvement Plan (3-5 Year Plan)

Central continues to meet proficiency goals for all subject areas. Central will continue to focus on Math, Reading, and Science. In addition, Central has made progress with the Positive Behavior Intervention and Support Program. The building currently has a program implementation of 81%.

Core Curriculum 2014-15 and 2015-16 Academic Years

The core academic curriculum is the foundation of the Port Huron Area School District's instructional program. It defines the outcomes to be achieved by all students and is based on the District's educational mission and goals. The District's purpose is to enable students to meet or exceed state requirements for achievement, with an ongoing emphasis that encourages academic excellence for all students.

Our curriculum is based on the [Michigan Academic Standards](#) approved by the State Board of Education. As part of the core instruction, curriculum is aligned and written to support the implementation of the state expectations. It has been developed and

written by Port Huron Area School District teachers, administrators and consultants who specialize in curriculum development. Curriculum for the core courses is reviewed annually. Revisions and adjustments are made as needed in order to ensure appropriate alignment and pacing. You may contact your child's school or the Instructional Services Department to review a copy of the core curriculum for a particular grade.

A balanced assessment system is also a core part of the curriculum. Assessments are given in the core curriculum to monitor student progress toward grade level expectations. Measures of Academic Progress (MAP) testing from NWEA provides a measure of student growth in reading, grammar, and math as well as tools with which to support classrooms and individual students.

**Aggregate Student Achievement Results for Local Assessment:
NWEA MAP-NorthWest Evaluation Association Measures of Progress**

Port Huron Area Schools uses the NorthWest Evaluation (NWEA) Measures of Progress (MAP) to assess student growth in Reading, Language, and Math. MAP is an online, adaptive assessment which provides nationally normed data about student performance and growth. Results for this assessment may be viewed using the links provided below.
